DEAR PATRON,

Join us and 45 loyal Kansas City independent businesses in producing a beloved community event, The West 18th Street Fashion Show. We ask you to return to us or become a new sponsor in 2021.

The West 18th Street Fashion Show is ready to celebrate its 21st year. This year we are commissioning a series of still scenes, pairing a fashion designer with an architect and set designer to create a frame for our models. Tickets this year will be timed so each attendee can move between each designer's collection in its unique tableau, allowing for the safety of our audience, live musicians, and models.

Help us shine a spotlight on our most talented Kansas City designers as we continue to elevate Kansas City's stature on an international level. In return, we will help you connect to our 3,000+ loyal patrons who love supporting local businesses like yours.

Email West18thstfashionshow@gmail.com or call Celeste Lupercio at 816-305-0429.
